

Playa/34

is a development of 34 1 and 2-bedroom apartments with units ranging from 27 sq. m. to 48.86 sq. m. It has a privileged location, just steps away from the famous Quinta Avenida, where you will have easy access to a wide variety of restaurants, bars, stores, services and all that Playa del Carmen has to offer.

The best part is that Playa 34 is only 5 minutes away from the beach, so you can enjoy the spectacular Caribbean Sea without having to worry about the long commute.

The apartments are delivered “turnkey”, that is, furnished, equipped and decorated. This is an excellent option, since you will not have to worry about anything and you will be able to enjoy it at the moment of delivery.
