Development by

Since 1987 we have been developing properties and building dreams

At GVV we apply the highest international and national standards in construction and design quality for each of our successful developments, thus positioning us as one of the most successful and with most prestige

Real Estate Developers in Quintana Roo and the Riviera Maya.

Paseo de la Selva

Paseo de la Selva

HANA
APARTMENTS

Cancún is the ideal location for your next investment.

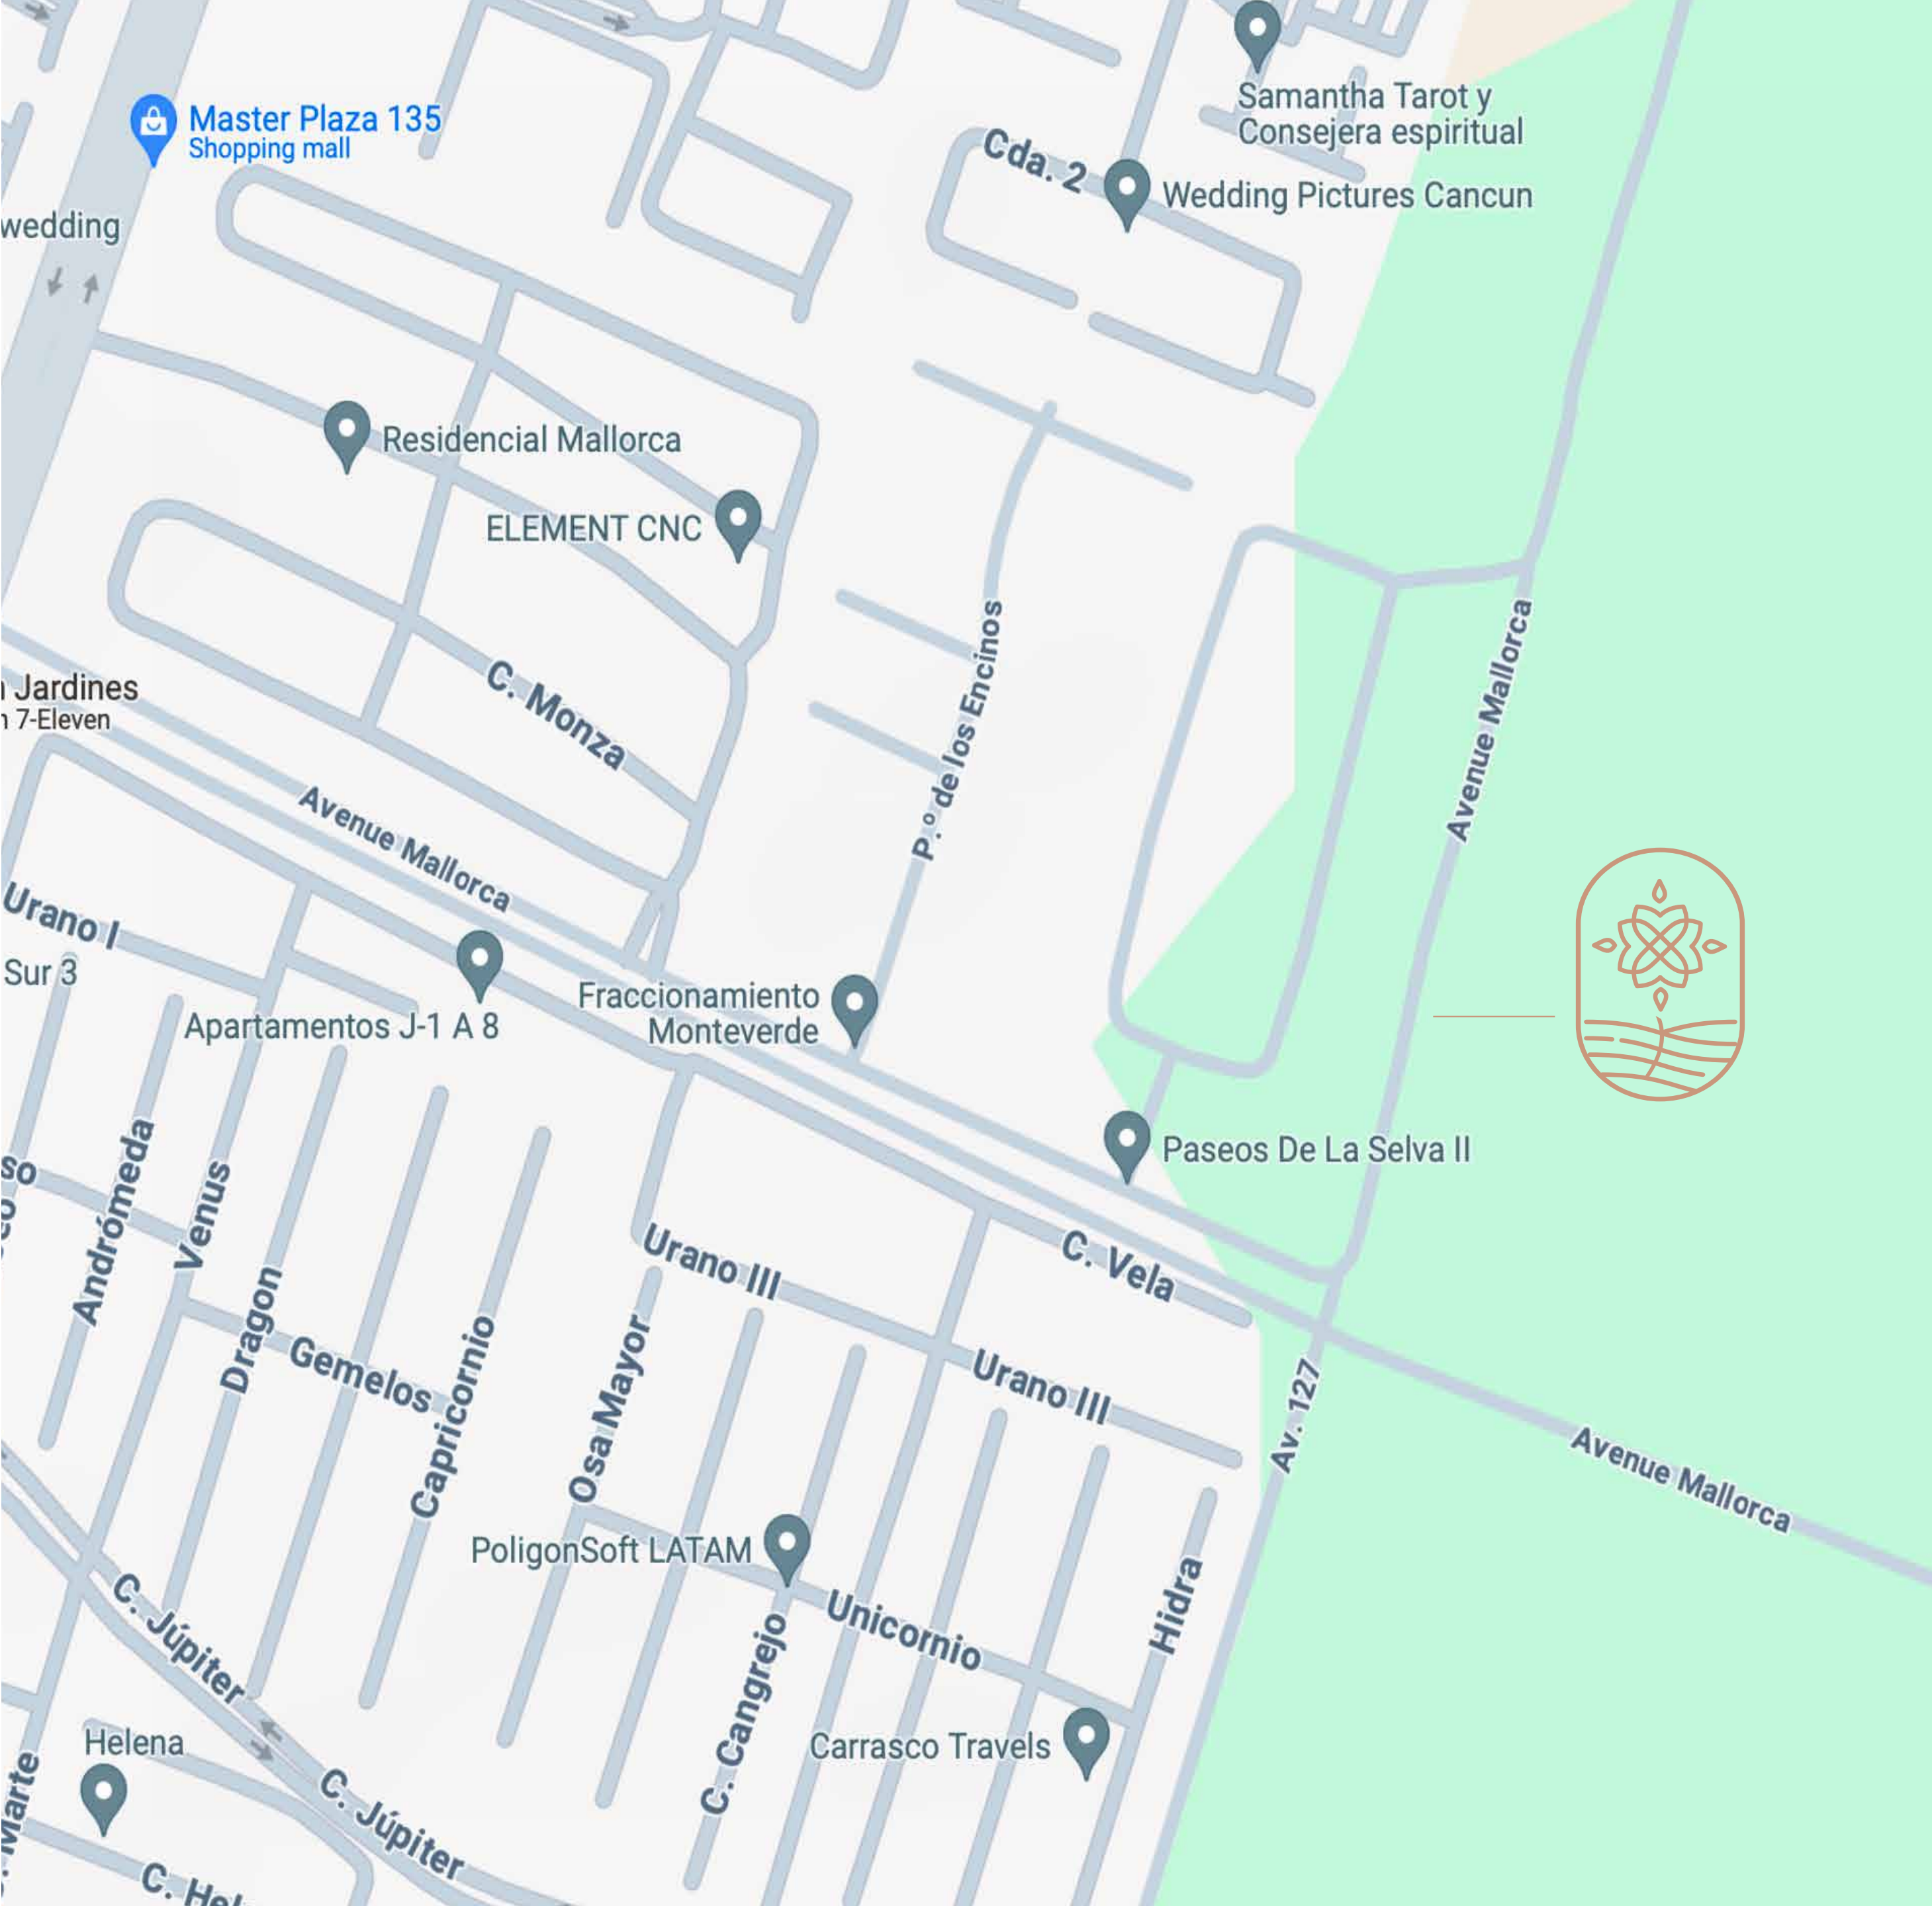

Surrounded by beautiful beaches of fine white coral sand, which are the prelude to a crystalline sea whose transparent waters have a wide variety of blues, ranging from emerald to turquoise.

- The most important international airport in Mexico and Latin America.
- Direct flights to the most important destinations in the world.
- More than 30 million passengers per year (2021)
- 40 million visitors in 2021, above tourist powers such as England, Germany and Türkiye.

HANA
NI

Hana Ni has a privileged location in the newest and fastest developing area in Cancún.

Within the Paseos de la Selva II subdivision and next to its twin tower of luxury apartments, Hana Ni offers unparalleled added value as it is minutes from Huayacán Avenue and practically adjacent to schools, parks, shopping centers, hospitals and spacious avenues and access roads.

Av. Mallorca, Supermanzana 327, Lote 2-01. CP 77535
